# What's NEW this week!

## PROJECT HAIL MARY (M) Starring Ryan Gosling!

Astronaut Ryland Grace awakens on a spacecraft with no memory of himself or his mission. He slowly deduces he is the sole survivor of a crew sent to the Tau Ceti solar system in search of a solution to a catastrophic event on Earth. In his search for answers, Grace must rely on his vast array of scientific knowledge, sheer ingenuity, and human will – but he may not have to search alone.

## READY OR NOT 2: HERE I COME (MA15+) Starring Samara Weaving & Kathryn Newton!

Moments after surviving an all-out attack from the Le Domas family, Grace discovers she's reached the next level of the nightmarish game — and this time with her estranged sister Faith at her side. Grace has one chance to survive, keep her sister alive, and claim the High Seat of the Council that controls the world. Four rival families are hunting her for the throne, and whoever wins rules it all.

## HOPPERS (PG) Advanced screenings!

Scientists have discovered how to "hop" human consciousness into lifelike robotic animals, allowing people to communicate with animals as animals. Animal lover Mabel seizes an opportunity to use the technology, uncovering mysteries within the animal world that are beyond anything she could have imagined.
